TEACHING FINANCIAL SUCCESS IN OUR LOCAL SCHOOLS

It's very important to us to give back to the communities we serve. One example of this philosophy in action is our Student-Run Branches in six Coppell ISD elementary schools including:

- Valley Ranch Elementary, EST 2004
- Austin Elementary, EST 2006
- Mockingbird Elementary, EST 2009
- Pinkerton Elementary, EST 2010
- Lee Elementary, EST 2014
- Canyon Ranch Elementary, EST 2019

Total saved
in 2018:
\$38,699

Total saved
(so far) in 2019:
\$42,352

We know that kids who learn how to save at an early age enjoy better financial success as adults. With that top of mind, our primary focus at these special branches is to help kids get in the habit of saving money, while simultaneously teaching them important money management skills.
